

*Celebration for
URSULA CANAVAN
on her retirement*

Rathmore Staff, Members of the Board of Governors, Ursula’s family and friends, and RSHM Sisters joined to celebrate Ursula’s contribution to education and to the development of Rathmore Grammar School.

Therese Hamilton, the new Principal, made sure everything ran smoothly. Tributes were paid to Ursula and a specially prepared powerpoint recalling Ursula’s past life informed and entertained all present. The present staff sang a song Meanwhile the guests were treated to a beautiful meal prepared by Anne and the Canteen Staff. The canteen had been decorated and set up so that it was barely recognizable. Ursula had been banished from the area during the preceding days!
