

# Eilish's Diamond Jubilee - Carlisle

On September 25<sup>th</sup> 2009 RSHM sisters from Scotland and the north of England communities joined Eilish in Carlisle to celebrate her diamond jubilee.

We began with mass celebrated in the parish church and afterwards were joined by many of the parishioners in the parish hall.

Later all the priests and sisters had a fine lunch in the convent. We cut and ate the beautiful cake that Eilish herself had made for the occasion.
