

*Teach me Lord
to make my life a Magnificat,
to glorify the Lord
for all the gifts in my life,
to be mindful of all
the good things I have received,
to appreciate all the people
who care for me and who are
significant in my life,
to acknowledge and use
my talents and skills
in the service of others,
to accept the difficulties and
see in them an opportunity
to become stronger,
to be like Mary -
totally conformed to
your will.*
