

Welcome

The members of the Provincial Council welcome you to visit our website and discover who we are and where we minister. You can also contact us through email.

Sisters Ellen, Mary Jo, Ursula, and Kathleen

A warm welcome from all of us in the RSHM Northern European Province to our website. We are glad of this opportunity to share with you some of our history and some of the inspirations, people, concerns and activities that mark our lives today.

The past year has been a particular time of reflection on God's call for us as a Province and an Insititute at this time. Now we are seeking to respond to the challenges entailed in the themes we explored : to be "companions on the journey, receiving and giving life" and "ablaze with the Gailhac's Vision of Mission transcending Boundaries "that all may have life".

As you journey with us through these web pages we thank you for your interest and invite you to join us in prayer and action "that all may have life, life in all its fullness".
