'What is the vocation of the Formation Team?'

In reflecting on the role of the team in the Church and the Institute of today following points were seen to be important at the moment:

- the team is called to be a reflective and prophetic voice in the province encouraging and generating new life wherever there are any signs of life
- enthusiasm and joy for the mission are infectious
- the team and all the sisters are called to set ablaze the fire 'or give reasons for the hope that is in us'
- the team needs to affirm the life that is already there.
