

## **PRAYER for AUGUST 2013**

### **GOD OF MY JOURNEY**

**I give you praise, god of my journey,  
For the power of love, the discovery of friends, the truth of beauty  
For the miracle of life, the seed of my soul, the gift of becoming  
For the mystery of journey and the bends in the road.**

**I give you thanks, God of my journey,  
For all that I have learned from the life of Jesus of how to say goodbye  
For your strength on which I can lean and your grace by which i can grow  
For the desire to continue on, for believing that your power works through me  
For being able to love deeply, tenderly, truly  
For feeling my poorness, my emptiness, my powerlessness  
For believing you will care for me in my vulnerability.**
